

MISSIONS SPOTLIGHT

Peter and Kelly Paschier, serving in Thailand

Earlier this month we attended our annual OMF Thailand field conference. The theme this year was "Show us your glory, Lord!" and we had the privilege of journeying alongside Moses as we reflected on what it means to seek God's glory. Last month, we had the opportunity to meet with a Thai evangelist who has seen amazing openness to Jesus among communities in a variety of places in Thailand. She has been willing to share some of her insights and written material with us. We are hoping to be able to use these as we go out among our neighbours and friends. Please pray for us as we continue to learn and practice new ways of initiating conversations that would lead to meaningful sharing about Jesus and the life and hope there is in Him.

Recently, Kelly is pushing to complete her final Level 3 exam before we head back to Vancouver on home assignment one year from now. This will require steady and focused application to fit in the remaining 6 modules, pre-check and final exam. Please pray for perseverance and also for wisdom in how to approach ongoing ministry in light of the need to focus again on language study. We will be back in Lampang on Sunday night as we're currently on holiday. Danai starts the much-anticipated Grade 1 on August 15th. Lukas and Emmet go back on September 4th

In ministry, it seems we are in a phase of evaluation of where we are at and where we are going in the next year. We have one year left in this term before our year of home assignment and that seems to stimulate a certain reflectiveness. Please pray for us that we would boldly seek for and press into all that God has for us and for our community here in Lampang in this coming year. We are really very grateful for your support. Thank you so much for rooting for us and with us in prayer!
