5901 Granville St, Vancouver, BC

For leaders at all levels - professionals, volunteers, staff members, and ministry leaders;

anyone whose effectiveness depends on their ability to influence their peers and may or may not manage their own team of direct reports.

GRANVILLE CHAPEL
a church in community

Investment:

- **\$250 per person** (+GST)
- **3 Days** (9AM - 5PM, Jan 24 -26th)

***Meals provided**

Why is coaching so powerful?

Because coaching has the power to sustain change over the long term. Learning coaching techniques will help you empower your team to extend beyond their own capacity.

Come and learn how...

- coaching differs from common leadership strategies
- to create great coaching relationships
- to use coaching techniques for business and personal oriented goals
- to use coaching to identify opportunities for people/ employee/ volunteer development
- to deliver constructive feedback
